Attendance

Well done Year 1 on being the highest class achieving 99% Attendance (week beginning 5th February 2024)!

Well done to Jacob Tomlin who was presented with the Kindness Cup for always being kind to others.

We made it to the end of half term! This has certainly been a half term full of coughs, colds and other bugs and I am sure everyone is ready for a weeks break! It was lovely to see so many parents come along to the open classroom this week to have a look at the work their children have been doing in class. The open classrooms will be a regular feature, taking place on the last Thursday of every half term where possible.

I would like to say a huge **thanks** to the amazing PTA members who organised and ran the school discos yesterday. The children had a fantastic time and should have been exhausted when they left! I hope you all have a great week off and look forward to seeing you all back on **TUESDAY 27th February**.

Judith Dale 😊

Parents Evening

28th February 2024

World Book Day continues to encourage children and young people to read for pleasure through its work with authors, illustrators,

publishers, bookshops and libraries.

Spending **just 10 minutes a day** reading and sharing stories with children can make a crucial difference to their future success and it's fun for all involved.

We have a variety of activities involved in school on Thursday 7th March and invite children to dress up as their favourite book character or alternatively wear non-uniform - all children to bring their favourite book to school please.

£1 tokens will be distributed to all the children so they can experience choosing a book for FREE from booksellers e.g. Asda, Tesco, Sainsburys, Waterstones & WH Smith.

Parents can now view teacher's available timeslots through your SCOPAY account and book a suitable time to see their child's teacher.

Parents with multiple children can book all the appointments at the same time, making the evening a lot more time efficient.

Parents can set up alerts, either in-app or via email to remind them of their upcoming appointment, or notify them when a new event is published.

Log in to your SCOPay app to make your appointment or alternatively, speak to a member of the office staff for them to make the appointment for you or help you register for SCOPay.
