Today was the day we got to say 'cheerio' to our Year 6's and wish them all the very best of luck as they start their journey into secondary education. They really are a wonderful cohort of children and will miss them all very much! We also say goodbye to Mrs Richards who is leaving us to join the team at Thurstable where we know she will do an amazing job. We will really miss her, but the children joining Thurstable are thrilled to know she will be moving with them. Elsewhere in the school, the children enjoyed the opportunity to spend some time in their new classes this week. They have had time in assemblies and during move up day to get to know what life will be like in their new year group and share any worries they may have. They all seem happy and confident at the prospect of moving up. On another note, many thanks to the PTA and everyone who supported at the Inflatable Afternoon. What a successful afternoon and a great way to end a very busy term. Thank you ☺

Finally, I would like to take this opportunity to thank you all for making me feel so welcome during my first year here at Baynards Primary. It has been a very busy year, but it has been wonderful getting to know the children and their families. It really is a very special school! Please remember, the timings of the day will be different. I will open the gates at 8.35 when the register will open. The gates will close at 8.45 and the register will close. Pick up is at 3.15. Wishing you all a very happy and healthy summer break and I look forward to seeing you all back here on Tuesday 5th September. Enjoy the sunshine! ☺

Thank you to those who came and supported yesterday's inflatable afternoon. It was lovely to see the children having fun

at the end of term. A big thank you to the parents and staff for helping out to make it a successful afternoon.

I would also like to say a massive thank you to Emilia and Sofia Harpers Grandparents from Tiptree Bakers for kindly donating the rolls throughout all PTA events this year.

This year the PTA have managed to purchase new dining tables for the children to use at lunchtimes. We have also purchased each class with a new visualiser which is an essential resource used in lessons. We have also gifted the children Easter eggs.

With the PTA money the aim in September is to buy each class their own digital camera and also fulfil some of the class wish lists for resources and equipment.

Please keep an eye on the newsletters from early September as we plan on holding a PTA coffee morning and we welcome new members.

Have a great summer and thank you all for your continued support – Miss Allison.

Thank you Perrywood!

We were so pleased to receive a £50 voucher from Perrywood to assist with the development of the Outside Classroom for Class One. As part of their learning, the children are encouraged to explore the natural world around them and understand the effect of the changing seasons. With the money received we will be able to create an environment to facilitate this. We are extremely grateful that they support local schools in this way. Thank you Perrywood!
