

## March 2024

Hello everyone! I'm Adam and I'm pleased to be chairing the Baynards PTA for the forthcoming year. After selecting Baynards as our school of choice, and seeing our son flourish in his first year, it's a great opportunity to help give something back, as well as make all the children's time more memorable and enjoyable.

You may have already seen me around the school, as I am also a Parent Governor, Santa Clause liaison, burger flipper and now D.J. I come into the team as a relative newcomer and found that we have a great group of volunteers, prepared to give their time to put on fun activities for the children and raise funds to enrich and assist their learning.

The team has some great ideas for the year and I would appreciate your ongoing support in making these events a success.

I would also like to personally ask for some more parents to come and join our PTA team. It's highly rewarding, can teach you some new skills and will benefit your children as well as your own experience during these short school years. I would be pleased to host a no obligation information meet up for those who get in contact. Please let the office know if you are interested or drop me an email [CurtisA@baynards.essex.sch.uk](mailto:CurtisA@baynards.essex.sch.uk)
