Attendance
Well done Class 4 on being the highest class achieving 97% Attendance (week beginning 18th September 2023)!

This week has really whizzed by! Luckily the weather hasn't been too awful and we have still been able to enjoy playtimes on the field. The children are very excited finding the conkers that have fallen down overnight. It was lovely having 2 visitors from Heads to Minds yesterday. They visited each class in turn, talking about feelings and emotions and working with the children to share strategies the children could use when they are feeling overwhelmed. The children were amazing! Over the next month, we will be offering tours of the school to parents of children due to start next September. If you know anyone who would be interested in visiting with a view to their child starting Reception in 2024, please refer to the attached flyer for dates and phone the office to be added to a tour list. Have a wonderful weekend everyone 😊
