*Message from the Headteacher*

Multiplication Tables check this week. The children have been quietly confident and enjoyed the opportunity to show how great they are. Well done to you all ☺

We have certainly welcomed the sunshine this week and most children have remembered their sun cream, sunhats and water bottles - thank you ☺

We will make changes as necessary during the heat to ensure children have adequate opportunities to stay cool both inside and outside the classroom and at after school clubs. Wishing you all a very relaxing weekend and look forward to seeing you all on Monday

**Lots of children are coming into school without a water bottle. Can you please make sure they are provided with one and brought into school which can be topped up during the day by a member of staff. Thank you.**
