

Ensuring Equality of Opportunity and Participation

The school will ensure that:

- Pupil achievement is monitored by race, gender and disability and any trends or patterns in the data that may require additional action to narrow the gap are addressed;
- All staff are aware of the school's Equality Plan;
- The talents of disabled pupils are recognised and represented in Gifted and Talented programmes, and representation on the programmes fully reflects the school population in terms of race and gender;
- There is an inclusive approach to ensuring all pupils are given the opportunity to make a positive contribution to the life of the school e.g. through involvement in the School Council by election or co-option); class assemblies; fund raising etc;
- Disabled children can take part in all aspects of the curriculum, including educational visits and journeys; lunchtime activities; PE and dance and assemblies;
- Extended school activities such as breakfast and after-school clubs take into account pupil needs and access issues and pupils attending reflect the diversity of the school population in terms of race, gender, disability and socio-economic status;
- Staff, pupils, parents and carers will continue to be involved in the future development of the Equality Plan through input and feedback from surveys, staff meetings, school council meetings, parents evenings etc.

The school will provide:

- Extra and additional support for pupils who are under-achieving, in order to make progress in their learning and their personal well being, e.g. ensuring that children with visual impairment have accessible texts; that children with hearing impairment have an enhanced acoustic classroom environment;
- Additional support for parents of under-achieving children (e.g. reporting progress; discussing needs);
- Additional support for disabled parents/carers and staff to help them to play a full part in the life of the school (e.g. providing a sign interpreter for a deaf parent; ensuring that meetings are held in the most accessible parts of the school to support wheelchair users).

PROMOTING POSITIVE ATTITUDES AND MEETING NEEDS

The school will:

- Promote positive images which reflect the diversity of the school and community in terms of race, gender and disability, for example in assemblies, books, publications and learning materials and in classroom/corridor display;
- Actively seek to recruit disabled people to the school and support them in their work and career development, and try to reflect the diversity of the school community in its workforce;
- Actively seek to recruit disabled people to the governing body and make reasonable adjustments to ensure that they can fully participate and contribute;
- Provide reasonable means for children, young people, their friends and families to interact with people from different backgrounds and build positive relationships, including links with different schools and communities;
- Provide extended services, with opportunities for pupils, families and the wider community to take part in activities and receive services which build positive interaction and achievement for all groups;
- Supporting disabled pupils in the period of transition between primary and secondary school to ease the stress of moving and increase familiarity with new surroundings;
- Helping children and young people to understand others and value diversity;
- Promoting shared values, awareness of human rights and how to apply and defend them;
- Developing skills of participation and responsible action – for example through the new 'Identity and Diversity: living together in the UK' strand of citizenship education.

ELIMINATING DISCRIMINATION AND HARASSMENT

The school will:

- Develop and adapt its procedures on anti-bullying to include equality perspectives;
- Support staff to challenge and address any bullying and harassment that is based on a person's race, gender or ethnicity;
- Keep a record and report how these incidents are dealt with to the governing body and local authority on a termly basis;
- Review its approach to race, gender and disability bullying and harassment whenever it reviews its policy on behaviour.

MONITORING IMPACT

The school will collect and analyse evidence and data on children's achievement, attendance and participation by race, gender and disability, and use this to inform strategies to raise achievement.
