Year 1/2 Cycle A

**Autumn**

**How am I making history?**

Looking at personal chronology and finding out about the past within living memory, children examine photographs and ask questions. They begin to look at a simple timeline extending back to before they were born.

**Spring**

**How have toys changed?**

Sequencing toys into a physical timeline, children investigate artefacts from the past and begin to pose questions. They learn how teddy bears have changed and 'interview' an old teddy bear before considering what toys may be like in the future.

**Summer**

**How have explorers changed the world?**

Finding out about events and people beyond living memory, children focus on explorers and what makes them significant. They create a timeline and investigate which parts of the world were explored, before comparing exploration in the past with exploration today. Discuss ways in which these significant people could be remembered.
